Nursery Newsflash!

1st April 2022

Homework Challenge

Over the Spring holidays, we would like you have a look at your Activity Passport… Are there some things in there that may need completing?
We will be busy planting things next term, and our role play area will be a Garden Centre, so over the holidays we would love you to visit a garden centre, nursery or such like. Maybe you could have a look at what happens there? You could see what they sell, maybe you could buy a plant/ vegetable to look after in your garden, or in a planter. I wonder if you could chat to a grown up who works in the garden centre about what they do. I'm sure you will use your fantastic communication skills.
We will be sending name cards for you to practise name writing over the hols too.
Please remember that we are very important so have a capital letter at the start of our name. But only at the start! We start to write our letters from the top, not from the bottom. We like our letters to be the same size. We start to write from the left.
Grown ups please be really positive with the efforts that we make.
We have sent home a letter formation chart to use as a reference, so you know where letters start and finish and the correct orientation too.

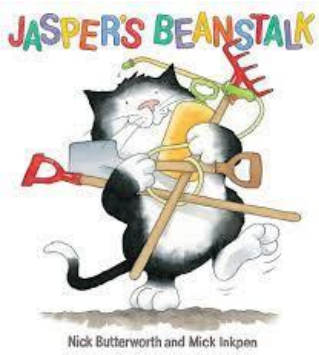
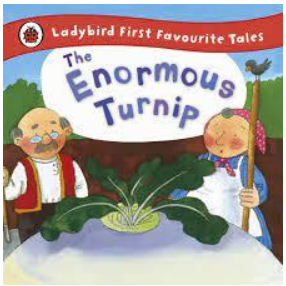
You can email, work, photographs, experiences, questions and queries to us
Nurseryhomelearningselfie@forefieldinfant.sefton.schoo

Topic Information

Next half term will be… We are Gardeners" All our activities in school and at home will be linked to this exciting theme, We will be sharing books about growing, Jasper and the Beanstalk and The Enormous Turnip, maybe even Supertato for good measure, even Oliver's Vegetables too.





Nursery Summer Uniform

Children (Girls and boys) are asked to wear a pale blue polo shirt and navy blue shorts/cycling shorts.
Please remember that sensible footwear is still required. Children will need to wear shoes with Velcro fastenings **(no laces or sandals please)** as they will still be playing and climbing in the Outdoor classroom.

Sun hats and sun cream

During the Summer Term, children will need to bring/wear to Nursery a (clearly named) sun hat.
Please note sun cream will need to be applied to children at home, as sadly Nursery staff are unable to apply sun cream to children.

Nursery dates

Tuesday 19th April 2022- Children return to school for Summer Term

After the Spring break

Forest School will move to Friday morning. Please note, this is a timetable change different from last week's letter for some of our All day and all morning children- More information will follow. Children will need to attend Nursery in their forest school kit on their designated day.
Friday 22nd April will be the first session for our Morning children. Please attend Nursery ready dressed for Forest School at 8.50 am
