PE & Sport Grant Strategy for Expenditure

2017 - 2018

OVERVIEW

The London 2012 Olympic and Paralympic Games gave an opportunity to inspire the nation to enjoy and participate in sport. The Government is determined to secure a significant and lasting legacy from the games, enhancing children's well-being and developing enjoyment of sport and physical activity from an early age.

To this end, the Government has announced additional funding to primary schools to 2020 to improve Physical Education (PE) and Sports provision. This funding is provided jointly by various governmental departments, including Education, Health and Culture, and Media and Sport. All eligible schools will receive a lump sum of £16,000 plus a premium of £10 per pupil in KS1.
