

YEAR 1 HOMEWORK TASKS

TOPIC- WE ARE EXPLORERS

SUMMER

<p>These are homework tasks for this topic- We Are Explorers. We will be looking at birds and nature. We are going to visit Martin Mere on Monday 23rd April and this will allow us to recognise birds as well as create artwork based on these! During the week beginning Monday 23rd April we will study the illustrator Mark Hearld and work in his style, bring in any information that you have found.</p>	<p>We will refer to some of these tasks on the newsletter each week, but if you want or need to do them beforehand, feel free! Some of them feed directly into the work the children will be doing the following week, so it will help them if they have completed the homework before. Highlighted sections in green are tasks that must be completed!</p>		<p>Crosby In The Past</p> <p>Can you talk to your relatives about life in the past in Crosby? What has changed? Do you have any old photographs of the local area that we could share and compare? We are looking for a volunteer or two to come in to school and talk about Crosby in the past. Please see your class teacher if you would like to do this. Thanks in advance.</p>
<p>History</p> <p>Who was Scott of the Antarctic? Where did he go to explore? What happened to him? Can you find out any facts about him? We will be studying him in the week beginning Monday 16th April</p>	<p>THIS TASK MUST BE COMPLETED!</p> <p>Find out about Bear Grylls. What does he do that is exciting? Why is he brave? Where does he explore? What kind of things would he take with him to survive? What would the problems for him be? Begin to think about how he is different from explorers in the past.</p>		<p>Find out ...</p> <p>Look at a globe or a world map. Where would you like to go exploring and why? What can you find out about that country? Look at the weather, food, etc. What could you find from that country? Can you locate it on a map?</p>
<p>John Burningham</p> <p>We will be doing an author study of John Burningham. Have you read any of his books? Do you have any of his books at home for us to look at in school?</p>			<p>Look closely</p> <p>Look at the birds in your garden, which ones can you see? Can you name them? What birds can you recognise and name? Can you draw any of them?</p>
