Topic- We Are Artists

9th March 2018

This Week...

Thank you very much for all your positive comments during our parents' meetings this week. It was lovely to share your children's achievements and show you their wonderful work. We really do appreciate all your support and we hope you found your child's targets both useful and informative. Thursday's parents' meetings will be re-arranged for Mon 19th March – please see this week's school newsletter to re-book an appointment.

This week we have continued our Science topic of 'Growth' and are carefully monitoring the growth of a range of plants and seeds. We have used celery in a very creative way to make our Mother's Day cards, perhaps the children can tell you how they produced their lovely images of flowers!

We have also continued to practise songs and poems for our class assembly during the last week of term. Your child may have brought home some words to learn – we would be really grateful if you could read over these at home.

In R.E we have been finding out about Easter and learning about the Easter Story.

What a busy week we have had!

Next Week...

In D.T we will be evaluating the wonderful picture frames that the children have designed and made this week.

We will also continue to observe the growth of our plants and seeds on our 'growing tables' and we will also continue to observe the signs of spring!

In R.E we will be exploring religious symbols and images and thinking about what they represent. Eg. candle, dove and cross.

We will also continue to prepare for our class assemblies. We look forward to seeing you all! Please note that Class 6 will hold their assembly at 2.50pm on Thursday 22nd March as some of the Year One children will be rehearsing for The Diversity Concert in the morning of this day.

Future Dates...

Monday 12th March - Mufti Day (for Easter Bingo)

Friday 16th March – FOFIS Easter Bingo.

Monday 19th March – 'Images' Art Exhibition of pupil's work. Family and friends welcome to view children's work after school in the Hall.

5-8pm Parents' Meetings

Tuesday 20th March – Class 5 assembly for parents/carers.

Wednesday 21st March – Class 4 assembly for parents/carers.

Thursday 22nd March – Class 6 assembly for parents/carers **AT 2.50 pm.**

Friday 23rd March – Easter Bonnet Parade.

Homework Activities...

We will be holding an Easter Bonnet parade on the last day of term. You may want to begin thinking about the design of the bonnet with your child. We are really looking forward to seeing all your wonderful creations!

We have been exploring number sequences this week, counting both forward and back in ones and twos. On the reverse of this letter is an additional challenge for your child to complete at home.

You may also want to think of your own number sequences to share in school!
