

## Year 1 Common Exception Words

Common Exception words are words that do not fit with the grapheme-phoneme correspondence that they have learnt so far therefore children just need to learn to read and write them. Below are the Common Exception Words or 'tricky words' that are set out in the National Curriculum. Children will need to know these words by the end of Year 1. These are the words that we expect children to be able to read and write independently by the end of Year One.
