

Reception Online Learning Tasks 1.2.2021

Mathematics

Maths lessons will be recorded daily with follow up activities in 'Assignments' on Teams.

Please have paper and pencil ready along with 10 objects.

This week we will be looking at different ways to make 6 and 7.

Remember to upload your work to Microsoft Teams via the evidence button.

PSHE

Please click on the link below to watch a mindfulness video from our PSHE curriculum.

We are Sea Explorers

Suggested remote learning daily timetable

Subject	Directed Teaching	Independent Tasks
Phonics	20 mins video lesson	20 mins writing/reading task
English	10 mins video lesson	20 mins writing task
Maths	15 mins video lesson	15/20 mins task
PE		15 mins task plus 15 mins Cosmic Yoga/joe Wicks
EYFS Curriculum Areas		60 min tasks

Please continue to submit work via Microsoft Teams. We are really impressed with what we have received so far and a big thank you for your continued support. You are all doing a great job!

Literacy

We will begin our new book 'Under The Sea' Lessons can be found in 'Assignments'.

Phonics

Phonics lessons will continue to be recorded daily in line with your child's current phonic knowledge.

Storytime

We are enjoying our daily Storytime sessions and seeing our friends. If you have not managed to join us yet, please do so as it is an opportunity for your child to engage with friends and their class teacher.

Class 1 – 2.50pm

Class 2 – 3.00pm

Class 3 – 3.10pm

Gross Motor Skills
Session 3 Gymnastics.

Begin by warming up your body with some gentle stretches.

Recap rolling from last week making a pencil shape. Lying on your side, roll forwards and backwards.

Now make a routine! You will need to include the following – starting position, moving on your feet then incorporating hands and feet add a roll and your finishing position.

Remember to cool down.

We look forward to seeing your videos uploaded to Teams. Perhaps you could perform your routine to music.

Understanding the World

We are very lucky to live on the coast and we would like you to visit Crosby Beach. Whilst you are there, can you look closely at the different features and introduce key vocabulary of land, coast and sea to your child.

What can you see at the beach? Do we find trees or plants at the beach? If not, why not? What do we find at the beach? Can you collect objects such as shells, driftwood, pebbles and anything else you can find? Please remember beach safety whilst you are out exploring.

Creative Arts and Design
Lesson 1

We are going to be creating a piece of beach art! Using the resources you collected from your beach walk, can you create your very own piece of art?

This could be a sea creature such as a shark or fish or something that reminds you of the seaside. Be creative and send your artwork via Teams.

Creative Arts and Design
Lesson 2

We are going to be discovering about the artist David Hockney. He is famous for using water as his inspiration. Watch the video uploaded on to 'Assignments' which will explore his famous paintings and techniques.
