

Year 1 Remote Learning W/B 1.2.21

<p><u>Remote Learning Overview</u></p> <p>We know remote learning can be difficult and will vary depending on your circumstances.</p> <p>This planning sheet is a range of activities that mirror the Year 1 learning in school this week as much as possible.</p> <p>Daily English, Maths, and Phonics lessons will be uploaded to your Microsoft Teams account. Each lesson will contain a pre-recorded teaching video and follow up lesson activities to submit via Teams assignments.</p>	<p><u>Suggested Remote Learning Daily Timetable</u></p> <table border="1"> <thead> <tr> <th></th> <th>Directed Teaching</th> <th>Independent Tasks</th> </tr> </thead> <tbody> <tr> <td>Phonics</td> <td>20 minute video lesson</td> <td>10 -15 minute writing 10 -15 minute reading</td> </tr> <tr> <td>Maths</td> <td>20-minute video lesson</td> <td>10 -15 minute number tasks 10 -15 minute calculation task</td> </tr> <tr> <td>English</td> <td>20-minute video lesson</td> <td>10-15 minute task</td> </tr> <tr> <td>Foundation Subject</td> <td>20-minute video lesson</td> <td>15-20 minutes</td> </tr> <tr> <td>Storytime</td> <td>20-minute video lesson</td> <td></td> </tr> <tr> <td>PE</td> <td></td> <td>20 minutes</td> </tr> <tr> <td>Home Reading</td> <td></td> <td>10 minutes</td> </tr> </tbody> </table>			Directed Teaching	Independent Tasks	Phonics	20 minute video lesson	10 -15 minute writing 10 -15 minute reading	Maths	20-minute video lesson	10 -15 minute number tasks 10 -15 minute calculation task	English	20-minute video lesson	10-15 minute task	Foundation Subject	20-minute video lesson	15-20 minutes	Storytime	20-minute video lesson		PE		20 minutes	Home Reading		10 minutes	<p>PE</p> <p><i>Please see lesson plan with suggested activities to complete. These activities can be completed in the garden or indoors.</i></p> <p>Groovy Gymnastics . Lesson 5 Exploring movement actions with control and linking them together with flow.</p> <p>Skip to the Beat – Lesson 5 To develop foot patterns that aid skipping.</p> <p>You can also access Joe Wick live PE sessions on You Tube each Monday/Wednesday/Friday @9am.</p> <p>The following yoga session from Cosmic Yoga session can be accessed here - https://youtu.be/Klyrw5K5Mfo</p>
	Directed Teaching	Independent Tasks																									
Phonics	20 minute video lesson	10 -15 minute writing 10 -15 minute reading																									
Maths	20-minute video lesson	10 -15 minute number tasks 10 -15 minute calculation task																									
English	20-minute video lesson	10-15 minute task																									
Foundation Subject	20-minute video lesson	15-20 minutes																									
Storytime	20-minute video lesson																										
PE		20 minutes																									
Home Reading		10 minutes																									
<p>History</p>	<p>Art</p>	<p>DT</p>	<p>Science</p>																								
<p>Watch video lesson finding out about Scott and his journey.</p> <p>Can you act out Scott’s journey retelling the story from todays lesson.</p> <p>Can you think of some questions to ask our visiting explorer next week.</p> <p>Can you write those questions down and sent them to us this week so we can forward them to the explore to answer as many as they can in the session next week.</p>	<p>Watch the video lesson on the artist Tula Moon and the works of art she produced.</p> <p>Create a picture in the style of Tula Moon. Draw a line drawing of an iconic building. Use collage materials you have around the house to collage your drawing. Remember to keep your background white to allow your iconic building stand out.</p>	<p>Watch video lesson on picture frames on how to make your picture frame.</p> <p>Choose the materials you would like to use to make your frame and create your very own picture frame.</p> <p>Complete the evaluation for the picture frame you have made.</p>	<p>Watch video lesson focusing on making a bridge using different materials to test the properties of the different materials.</p> <p>Decide on the size of your bridge and collect some cars to go over your bridge. Collect and gather the materials you will use to test your bridge. Complete the sheet predicting if the material will be strong enough to hold the cars. Build and test your bridge and record the results.</p>
