

Nursery Newsflash!

19th March 2021

Well as we approach our final week together for this term, we look forward to better spring weather, family days out in the sunshine and light at the end of the lockdown tunnel... however, we also say "Cheerio", "Adios", "Good luck", "Put your feet up" and a mahoosive thank you to the National Treasure that is Mrs McWilliam. Mrs Mc started here at Forefield back in 1997 supporting children in Reception, working alongside her Reception colleagues. 10 years later, January 2007 Forefield Nursery was founded with Mrs Mc at the helm. What will we do without the wonder woman, who is so passionate about our children, who innately understands how they think and learn, who nurtures and cares for the most nervous 3 year old leaving Mummy for the first time and quite frankly has that special magical something. Her dedication, commitment and hard work has made our Nursery the resounding success and wonderful happy place it is today. I can honestly say I have had the most wonderful time working with Mrs McMinnion, picking her brains, watching her turn her hand to anything, learning her skills and most importantly laughing a lot... Some might say she has even succeeded in keeping me on the straight and narrow, with my crazy ideas and hair brained schemes, usually with the phraseand another thing. So, Mrs McWilliam, we are so thankful for everything you have done for us all, we will miss you millions, the place certainly won't be the same without you, but we all hope that you have the most amazing time as a lady of leisure with your beautiful family- no more than you deserve.

Number of the Week

Each week we are going to investigate a number. We would like you to find objects out and about and around your home that match with the number/ numeral.

The number this week is 2.

E.g. Mrs Evans has found... A number 2 on my front door, 2 sweets in a box, 2 birds in the garden. What can you find?

As your child counts the objects encourage them to touch them and say the number out loud. May be you could draw the number in the mud with a stick.

Look for the numeral, maybe on a birthday card or a road sign. Talk about it with your child. Alexa Harvey is our Number Star this week.

Contact us...

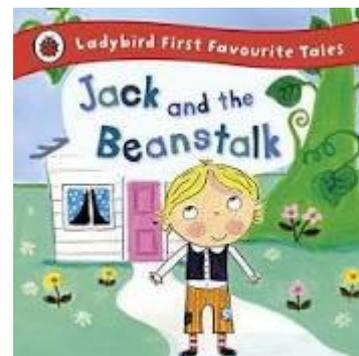

You can email, work, photographs, experiences, questions and queries to us

Nurseryhomelearningselfie@forefieldinfant.sefton.school

Thank you to all our families who have paid snack money this term. It really helps us to provide first hand experiences and of course delicious snack too.

Topic Information

Next half term our topic will be... "We are Gardeners". All our activities in school and at home will be linked to this exciting theme. We will be sharing books about growing like Jack and the Beanstalk and The Enormous Turnip.

Nursery dates

Thursday 25th March 2021- Nursery close for Spring break

Tuesday 13th April 2021- Children return to school for Summer Term.
