

<p><b>Mathematics</b></p> <p>Can you complete the following activities? You will need a set of number cards up to 20 and a set of counting objects up to 20 and a number line.</p> <ul style="list-style-type: none"> <li>Count in 10's up to 100 and then challenge yourself to count backwards from 100 to 0.</li> <li>Can you find the matching pairs to make numbers to 10? <math>9 + ? = 10</math>, <math>8 + ? = 10</math> Can you continue the pattern?</li> <li>Ask your grown up to draw a set of objects up to 10/20. Then can you take away 3 or 4 from the set of objects and find the total. Have a go at writing the equation. Repeat with different sets of objects.</li> </ul>	<p style="text-align: center;"><b>We Are Healthy</b></p> <p style="text-align: center;">Here are some home learning tasks to support you and your child whilst they are learning at home. These tasks are in line with learning that is/would have been taking place in school.</p> <p style="text-align: center;">Our topic is 'We are Kind' and we will be looking at 'Supertato' by Sue Hendra</p>		<p><b>Literacy</b></p> <p>We will continue to read our adventures of Supertato! Look at the use of speech bubbles in the story. We will now be having a go at writing your own! You can use the activity sheet in <b>Assignments</b> to help you. Choose a vegetable and draw it then write what the vegetable might be saying using the speech bubble such as 'I am lost' or 'I am in the jam'. Remember to use your phonic knowledge and correct letter formation.</p>
<p style="text-align: center;"><b>RE</b></p> <p>We have been looking at and talking about what makes a person 'special'. This week we will be learning about Jesus as a Special Person as part of our RE curriculum.</p> <p>Please share the powerpoint in Assignments to use as a talking point with your child.</p>	<p style="text-align: center;">We are really impressed with all the hard word you are completing at home as part of your homework tasks.</p> <p style="text-align: center;">On this overview are some ideas for learning this week.</p> <p style="text-align: center;">Please adapt and support your child as much or little as you feel they need. Work can be completed on paper or practically. Don't feel you need to print out sheets from the website – these can just be used as ideas and starters for your discussion and as ways to record in your books.</p> <p style="text-align: center;">Please continue to upload completed work to TEAMS.</p> <div style="text-align: center;">  </div>		<div style="text-align: center;">  </div> <p>Phonics lessons will be allocated to your child using their BugClub account. They will be in line with the phonics lessons for the phase your child is in. You will also be allocated two books for your child's current phonic phase. Please read at least three times per week, answering comprehension questions and completing the BugClub challenges!</p>
<p><b>Fine Motor Skills/Understanding the World</b></p> <p>Look at the powerpoint in <b>Assignments</b>. Share it with your grown up and talk about where different vegetables come from. Do they grow below the ground or on top?</p> <p>Using the activity sheet in <b>Assignments</b> sort the vegetables accordingly. Remember to cut out each of the pictures holding your scissors correctly and following the lines.</p>	<p><b>Gross Motor Skills</b></p> <p>In class, we will be developing our 'Striking' skills. For this activity you will need a bat and ball.</p> <ol style="list-style-type: none"> <li>Can you hold the bat correctly using both hands? Go for a walk holding the bat around your garden or a room.</li> <li>Using a ball or bean bag can you balance it on your bat and once again go for a walk.</li> <li>Holding the bat can you hit/strike the ball so that it is moving around the garden/room.</li> <li>Hold the bat and then hit the ball in the air and repeat.</li> </ol>	<p><b>Expressive Arts and Design</b></p> <p>Make your own veggie superhero just like Supertato! You will need a vegetable such as a carrot, potato, broccoli or parsnip, googly eyes, pipe cleaners and material/paper for a cape.</p> <p>Using scissors and glue can you use your resources to make your very own superhero? Will your superhero have a mask? What colour will it be? What type of super powers will your veggie superhero have? Can you use your veggie superhero to retell your own story? Have fun!</p>
