

## Reception Online Learning Tasks 26.4.2021

<p style="text-align: center;"><b>Mathematics</b></p> <p>Can you complete the following activities? You will need a set of number cards up to 20 and a set of counting objects up to 20 and a number line.</p> <ul style="list-style-type: none"> <li>Count in 10's up to 50 and then challenge yourself to count up to 100.</li> <li>Pick a card and say what is 1 more/1 less than the number.</li> <li>Pick 3 random cards and order them from the smallest to the biggest. Repeat several times. Can you pick 3 cards and order them from the biggest to smallest? Use your number line to help.</li> </ul>	<h1 style="color: red;">We Are Kind</h1> <p>Here are some home learning tasks to support you and your child whilst they are learning at home. These tasks are in line with learning that is/would have been taking place in school.</p> <p>Our topic is 'We are Kind' and we will be looking at 'Silly Doggy' by Adam Stower</p>		<p style="text-align: center;"><b>Literacy</b></p> <p>This week we will be finishing 'Silly Doggy'.</p> <p>Can you draw a story map of the story and add some key words? Then using your story map can you begin to retell the story either writing simple sentences or verbalising it using a loud, clear voice and full sentences to your adult.</p>
<p style="text-align: center;"><b>PSED</b></p> <p>Talk to your child about staying safe whilst outside the school environment. Recap how we have looked at what to do if we are lost at the shops and how we stay safe whilst we are walking along and using roads. Share with your child Pink Dilemma Drop 'Pink at park with friends and a stranger asks for help to look for dog' which can be found in <b>Assignments</b>. What should we do if somebody we don't know talks to us? Share your child's answers and discuss the importance of staying safe and not to talk to strangers.</p>	<p>We are really impressed with all the hard work you are completing at home as part of your homework tasks.</p> <p>On this overview are some ideas for learning this week.</p> <p>Please adapt and support your child as much or little as you feel they need. Work can be completed on paper or practically. Don't feel you need to print out sheets from the website – these can just be used as ideas and starters for your discussion and as ways to record in your books.</p> <p>Please continue to upload completed work to TEAMS.</p> 		 <p>Phonics lessons will be allocated to your child using their BugClub account. They will be in line with the phonics lessons for the phase your child is in. You will also be allocated two books for your child's current phonic phase. Please read at least three times per week, answering comprehension questions and completing the BugClub challenges!</p>
<p style="text-align: center;"><b>Fine Motor Skills</b></p> <p>For this activity you will need a ball of play dough which can be any colour. Watch the short video <a href="https://www.youtube.com/watch?v=o9D51fqZF3o">https://www.youtube.com/watch?v=o9D51fqZF3o</a></p> <p>Now that we have warmed our fingers up can you use your dough to make a zoo animal? You could make a giraffe and roll out your dough to make it's long neck and add four legs, a tail and a body. Maybe you could make your own zoo with different animals. Have fun and remember different techniques to roll, pinch, pat, flatten or squeeze your dough.</p>	<p style="text-align: center;"><b>Gross Motor Skills</b></p> <p><b>Warm up</b> – hop on one foot x 10 then swap feet and repeat. Jump up and down x 20. Jog on the spot for 30 secs then a minute.</p> <p><b>Activity</b> – Working with a partner which could be your grown up or sibling can you throw the ball to each other and catch it. Remember to catch with both hands. Can you keep a score of how many times you have caught the ball without dropping it?</p> <p><b>Cool down</b> – Stretch up to the sky then down to your toes x 5, Breathe in and out slowly x 5</p>	<p style="text-align: center;"><b>Expressive Arts and Design</b></p> <p>We will be looking at the different skin prints of animals. Can you make your own animal print such as a zebra, giraffe or snake? You could use paint, crayons, chalks or pencils to create your animal print. Look closely at the different shapes and colours which you can see on your chosen animal and make sure to use the correct colours.</p>
