

<p style="text-align: center;"><b>Mathematics</b></p> <p><b>In Mathematics we have continued to recap on prior learning in number but will be introducing new concepts in our wider maths which is investigating shape, space and measure. Your class teacher will assign the main maths lesson via teams, but please recap the following number learning with your child.</b></p> <p>Independently counting to and back from 20          Independently counting to 100 in 10's          Independently counting in 2's to 10 (even numbers)</p> <p>Double facts 1+1, 2+2, 3+3, 4+4, 5+5          Half facts 10, 4, 2</p> <p>Number bonds of 10 including 2+3 and 2+1</p> <p>One more/less than a given number up to 10</p>	<p style="text-align: center;"><b>We are Olympians</b></p> <p style="text-align: center;"><b>Here are some home learning tasks to support you and your child whilst they are learning at home. These tasks are in line with learning that is/would have been taking place in school.</b></p>		<p style="text-align: center;"><b>Literacy</b></p> <div style="border: 1px solid black; padding: 5px; text-align: center; margin: 10px auto; width: fit-content;"> <i>beautiful memories</i> </div> <p>Please look at PSED for this weeks task.</p> <p>When your child is writing their THOUGHTS, please encourage them to write as independently as possible, remembering finger spaces and accurate letter formation.</p>
<p style="text-align: center;"><b>PSED</b></p> <p>This week the children have been invited to visit their new class and meet the teacher. Our literacy will link to PSED and supporting the children in their move into Year 1. We will ensure they get this meeting on their return to school.</p> <p>Please look at the weekend homework, discussing the move to Year 1 and writing down their feelings and thoughts.</p>			<p style="text-align: center;">We are really impressed with all the hard work you are completing at home as part of your homework tasks.</p> <p style="text-align: center;">On this overview are some ideas for learning this week.</p> <p style="text-align: center;">Please adapt and support your child as much or little as you feel they need. Work can be completed on paper or practically. Don't feel you need to print out sheets from the website – these can just be used as ideas and starters for your discussion and as ways to record in your books.</p> <p style="text-align: center;">Please continue to upload completed work to TEAMS.</p> <div style="text-align: center;">  </div>
<p style="text-align: center;"><b>Fine Motor Skills</b></p> <p><b>Can you draw a self-portrait of yourself?</b></p> <p>Ensuring you have added detail of your face and body and using the correct colours.</p>	<p style="text-align: center;"><b>Gross Motor Skills</b></p> <p><b>This week is sports day!</b></p> <p>Could you have a competition against any siblings or adults. Setting up a race to find out who was the fastest. Egg and spoon race and even a three legged race!!</p>	<p style="text-align: center;"><b>Expressive Arts and Design</b></p> <div style="text-align: center;">  </div> <p>Can you make your own Olympic medals for gold silver or bronze? What number would you need on your medal? What material could you use? What design will it need to highlight the discipline or country it is for?</p>	<p style="text-align: center;"><b>Understanding the World</b></p> <p>Can you identify Japan on Google maps?</p> <p>How would you get to Japan from Britain? Can you identify any other countries that you may have visited? How did you travel there? Where will you be going on holiday this year? Can you find the area on google maps?</p>
