Choose the right resources to carry out their own plan.	Know how to select materials to build a chair.	Explore, use and refine a variety of artistic effects to express their ideas and feelings.	Know how to print using leaves and other natural materials. Know how to create rubbings using leaves and other natural materials.															
Use one handed tools and equipment, e.g. making snips in paper with scissors.	Know and use a range of different materials appropriately for different purposes.		Know how to choose colours to represent their feelings/ideas. Know colours can be mixed to create different colours.															
	Use a comfortable grip with good control when holding pens and pencils.		Know how to form lines and shapes in pictures. Know how to hold a pen/pencil with a secure grip [tripod/3 finger].	Return to and build on their previous learning, refining ideas and developing their ability to represent them.	Know how natural materials can be used and refined to create art work.													
Create collaboratively, sharing ideas and resources and skills.		Know how to develop and build on their self portrait representation adding more detail and features each time.																
	Explore different materials freely in order to develop their ideas about how to use		ELG - FM - Hold a pencil effectively [in preparation for	Know how to hold and use a pencil comfortably and with control.														

	them and what to make.		fluent writing] - using the tripod grip in almost all cases.	
	Develop their own ideas and then decide which materials to use to express them.	Know how to create circular movements and shapes in the style of Cy Twombly.	ELG - FM - Use a range of small tools, including scissors, paintbrushes and cutlery.	Know and use scissors, pencils, paintbrushes and play dough tools appropriately and with good control to create.
	Know how to select materials to build a chair.			
	Know how to select different materials to build a representation of a house.			
	Join different materials and explore different textures.	Know how to select and join a range of different materials, including junk modelling, construction and collage.	ELG - FM - Begin to show accuracy and care when drawing.	Know how to use lines to form shapes representing different real life objects.
	Create closed shapes with continuous line and being to use these shapes to represent objects.	Know how to form lines and shapes in pictures. Know how to hold a pen/pencil with a secure grip [tripod/3 finger]. Know how to create and represent objects in drawing.	ELG-EAD-Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.	Know a range of colours can be to represent their thoughts and ideas. Know colours can be mixed to create different colours. Know how tissue paper can be used to create a collage. Know and use tissue paper to create a representation. Know and create symmetrical patters in art. Know how to use a range a materials including chalks, pastels, paints & brushes and printing to create a piece of art work.

	Draw with increasing complexity and detail, such as representing a face with a circle including details.	Know how to draw a picture of their face including detail such as facial features and emotions.	ELG-EAD - Share their creations, explaining the process they have used.	Know and talk about their art work and the process they have used.
	Use drawing to represent ideas like movement or loud noises.	Know how to draw different representations to show movement or noises.		
	Show different emotions in their drawing and paintings like happiness, sadness, fear.	Know how to draw a picture of their face including detail such as facial features and emotions.		
	Explore colour and colour mixing.	Know how to recognise different shades of pink. Know and explore how to colour mix adding white and black to create different shade of pink.
