

What's New In Year 2

Week Beginning- Thursday 2nd September.

All the details from this week-

It was wonderful to welcome all the children back to school. All the children have been fantastic, settling in quickly to their new classrooms and new routines. As this has been a short week we have been getting to know each other and back into the swing of things at school. The children have written about something that they did over the summer, drawn wonderful self-portraits and created posters about the importance of washing hands.

Reading at home

All children should now have their new reading diary and reading book. Please listen to your child read at least three times a week. The reading diary and reading book needs to be in their reading bag every day in school. Teachers will initial the diaries each day if the children have read at home (children need to have read at least 3 times at home over the 7 days to receive their 'Golden Ticket' for fun activities on a Wednesday). The children have also chosen a 'library book' to share with you at home. This book should be returned to school on a Friday when they can change it for a new one. If you have any concerns or questions about reading at home please contact your class teacher via the class email (details below) or telephone the school office.

PE Lessons

Year 2 PE lessons will take place on the following days

Class 7 – Tuesday and Wednesday

Children will need to come to school in their PE kits and school shoes on these days. Pumps should be brought in a pump bag which can remain on their peg in school.
