

# What's New In Year 2

Week Beginning- Monday 4<sup>th</sup> October.

## All the details from this week

We have finished reading the wonderful book 'Leaf' which certainly engaged the children and provided a stimulus for writing a variety of different genres (this week the children have written instructions and a first-person narrative). Next week the children will be asked to write their own version of 'Leaf', but with a different endangered animal as the main character. Carrying out some research about an endangered animal over the weekend would certainly help with their story writing next week (see below). The Library Service visited us on Monday to present certificates to the children who had complete the Summer Reading Challenge. Thanks to their effort, we received the trophy for being the top school in the whole of Sefton! In our two PE sessions we have continued to develop fielding skills (throwing and catching a ball), as well as developing mobility, balance and core strength in our Yoga session.

## Phonics Screener

In preparation for the Phonics Screener that your child will complete in December, we have included with this letter 4 nonsense and 4 real words to practise reading at home. These are similar to those in the Screener. We will send different words each week.

## Harvest Festival

Just a reminder that all donations for the Food Bank should be brought into school on Monday or Tuesday for our Harvest Festival celebration.

## Endangered Animals

Can you carry out some research about a particular endangered animal? Write a fact file about the animal that we can share in class. A good place to start is
