

**Year 2 Remote Learning
Overview
Week Beginning
6.12.21**

Remote Learning Information for Parents
We know remote learning can be difficult and depending on your circumstances will vary.

This planning sheet is a range of activities that mirror the Year 2 learning in school this week as much as possible.

We would suggest a daily Maths, English and focusing on one or two of the foundation activities each afternoon.

If you need any resources please email Your child's class teacher.

English

This week is assessment week in school. Please encourage your child to complete the tasks below without any help.

Monday: This week we are going to put together everything we have learnt about the Great Fire of London in order to create a non-fiction, chronological report. Look at the website <https://www.london-fire.gov.uk/museum/history-and-stories/the-great-fire-of-london/> and unpick the format – introduction, different headings, Did you know? Introduce the planning format to your child and encourage them to make notes for each section.
Before the fire – what London looked like, how people lived.
During the fire – add all information relating to each day of the fire.
After the fire – focus on how London was rebuilt.

Tuesday: Today you are going to begin writing your non-chronological report. Before you begin, practise changing a few notes into full sentences. Remember to add adjectives, adverbs and conjunctions to extend your sentences and commas when writing a list. Remember to write in the past tense, add the correct punctuation and subheadings to your work.

Wednesday: Editing your work, reread everything you wrote yesterday. As you are doing so, check that your writing makes sense from beginning to end. Now re-read but this time focus on the punctuation. Have you got a capital letter at the beginning of your sentences? Are your full stops in the correct place? Finally see if you can improve one of your sentences by adding adjectives, adverbs or conjunctions.

Thursday: Independently complete the 2016 KS1 Reading Paper 1

Friday: Independently complete the 2016 KS1 Reading paper 2

<p style="text-align: center;"><u>Maths</u></p> <p>This week is assessment week. Please do not help your child with the assessment questions</p> <p>Monday: Independently complete the 2016 Maths paper 1</p> <p>Tuesday: Independently complete the 2016 Maths paper 2</p> <p>Wednesday: Complete the Oak Acedemy lesson on representing and interpreting data using a pictogram. https://classroom.thenational.academy/lessons/representing-and-interpreting-data-using-a-pictogram-64r66c</p> <p>Thursday: Complete the Oak academy lesson on representing and interpreting data on a block diagram and a table. https://classroom.thenational.academy/lessons/representing-and-interpreting-data-on-a-block-diagram-and-a-table-cmt36d</p> <p>Friday: Complete the Pak academy lesson on representing data in a tally chart and pictogram. https://classroom.thenational.academy/lessons/representing-data-in-a-tally-chart-and-pictogram-cmwk6r</p>	<p style="text-align: center;"><u>PSHE</u></p> <p style="text-align: center;">Fire Safety</p> <p>Read through the slides together on Enya and Deedee at the fire station. Discuss the points raised. https://schools.1decision.co.uk/info/module-resources/5-8-V2/presentations/ks1-fs-enya-and-deedee-visit-the-fire-station-lesson-guide/</p> <p>When the slides tell you to watch the video, click on the link below. https://schools.1decision.co.uk/info/videos-5-8/enya-and-deedee-visit-fire-station-scorm/index.html</p> <p>Now complete the fire safety quiz. https://schools.1decision.co.uk/info/module-resources/5-8-V2/9-fire-safety-module/fs-activity-worksheets/ks1-fs-fire-safety-quiz.pdf</p>
<p style="text-align: center;"><u>Spelling, Punctuation and Grammar Tests</u></p> <p>Independently complete the spelling and Punctuation and Grammar tests</p>	<p style="text-align: center;"><u>Christmas Activities</u></p> <p>Activity 1: Write a letter to Santa. Remember to tell Santa what you have done this year to help others before creating your Christmas list.</p> <p>Activity 2: Design and create a Christmas card for a loved one. See if you can add something which is special to that person.</p> <p>Activity 3: Design and create a Christmas decoration. Have a look online for inspiration but make sure you have the correct resources before you begin.</p> <p>Activity 4: Learn a traditional Christmas carol. Perform your carol to your family.</p> <p>Activity 5: Christmas baking. Create some Christmas biscuits or cupcakes. Find a recipe which you already have the ingredients for in your home and enjoy your baking experience.</p>
<p style="text-align: center;"><u>RE</u></p> <p>Watch the story of Christmas https://www.youtube.com/watch?v=FrTFAZPQxpE</p> <p>Retell the Christmas story in your own words. You can decide if to act it out, write it down, create a cartoon strip of the story or film yourself retelling it.</p>	

PE

This week we are completing our unit of work on tennis.

With a racket, dribble a ball around a given area using forehand and backhand touches. Try to change direction as often as possible. Bounce your ball on your racket, displaying full control throughout.

Now it is time to use all the skill developed over the half term to play a full game of tennis. Remember to hold your bat correctly and stand in the ready position. Don't hit the ball too hard, but work together to see how long you can keep a rally going with the ball only bouncing once before being returned.
